Chaplain's Corner

We've made it out of the dreary winter months and now onto brighter and hopefully sunny days of spring and summer. As the weather changes so do our activities.

Residents and tourists will explore our beautiful community in vehicles, motor cycles, personal watercraft, boats, bikes, runners, and walkers. Enjoy the spring and summer activities, but please maintain your alertness levels. Please be safe and aware of opportunities to help our fellow women/men. Whenever you notice someone who may need assistance, stop, talk with that person, share challenges ahead and fun events to look forward to. Giving a few moments of your time is a special gift. You are encouraging others to appreciate their blessings and pursue rewarding activities.

Memorial Day is a U.S. federal holiday to honor those that served our country and gave their lives to defend our freedom. At each FOE 871 meeting, we pause to pray for our members that are sick and for all military, law enforcement, firemen, civil service and first responders serving here and abroad. Memorial Day signifies the start of summer and fun events to attend. When traveling, do so responsibly, safely and always be vigilant of fellow drivers around you and your own actions while driving. Plan ahead, pack survival/safety gear, make adequate rest stops, pack a bunch of patience for dealing with traffic, and most of all have fun.

Please also take a moment to pray for Earl Davis, Larry Manchio, Rock Ruark, Ray Cobean, and Ed Milicheck. As we move into a beautiful spring, please remember these Eagle brothers and sisters, and all of those among us who are in grief, sickness, or suffering.

As always, if you know of someone in our Aerie who needs our support or sympathy, please contact us. You can send email to chaplain@foe871.com, leave a message with our Worthy Secretary, Dee Dee Hodge (703-548-1362) or one of the bartenders on duty in the Rathskeller (703-836-9734)

Worthy Chaplain

Pool Tables – We have contracted with Higgins Billiard Supply to replace the cloth on our pool tables and perform other repairs as necessary. We also ordered five new Canadian Rock Maple pool cues. No more blaming

President's Message

Hello, my Eagles brothers and sisters,

This will be my last time contributing to this newsletter as President, and I'd like to use it to highlight some of the amazingness that is FOE 871. If I start down the road of talking about individuals, I will inevitably leave someone out that deserves an encomium, so I'm not even going to try. Please understand that there are individual people in my heart and head as I write each of these short sentences.

To everyone who serves as a Trustee or Officer, thank you. You bear the brunt of the questions, complaints, and hard work of keeping this organization running.

To everyone who has volunteered for an hour or over-and-over again, thank you. My time as President has seen both the continued support of members who have been giving their time and talents for years and the emergence of new hands, backs, spatulas and brains committed to the club.

To everyone who has made a donation to the club or directly to one of our charities, thank you. Your treasure allows us to contribute tens of thousands of dollars to charity each year without neglecting our aging physical plant and furnishings.

To everyone who has stopped in for a beer or a soda, a meal or a snack, and to everyone who has played a pull tab game either with physical cards or on the machines, thank you. The social aspect of this club is our life's blood, both in terms of building fraternity and community and in terms of providing the financial backbone we need to turn that community into a force for good in our greater community and nation.

Thank you friends.

*Fraternally yours,
Paul Edson, Worthy President*

the table or cue for those missed shots! Members are also asked to supervise children under 16 who wish to play pool.

Annual Crab Pick – Mark your calendars for August 18 when we will be serving all-you-can-eat fresh, steamed crabs, as well as burgers and dogs for non-crab eaters. Stay tuned for details.

Bake-Off – Building on the success of our chili competition, we are planning to host a bake-off in the near future where all Eagles will be invited to show off their pies, cakes and cookies. Dust off those cookbooks and get ready to wow the judges with your baking skills!

Volunteers Needed – We encourage everyone to volunteer at regular events, as well as special occasions. *Even an hour will help.* Your assistance makes the events better and reduces the workload on all involved. Please contact a Trustee or the Volunteerism Committee at: volunteer@foe871.com. The Trustees thank all members who have volunteered.

Hall Rentals – We have a beautiful hall available for rent at a modest price. If you're planning an event – or know someone else who is – please contact one of the Trustees or go to our website at www.foe81.com for more information and pictures.

Parking – Temporary parking is limited to overnight only. If you need to park outside of normal business hours (overnight), you should notify either the Board of Trustees or the bartender on duty. Place your membership card on the dashboard with your name visible so we can identify the vehicle as belonging to one of our members.

The future potential of our Aerie is limitless and each of us can make a difference. Please continue to make Aerie 871 the best it can be!

Auxiliary News

Our 'Eagle' year ends on May 31st. If your dues are not paid by then you will be dropped from the rolls on July 1. Please do not let this happen to you. Check your dues receipt for your due date. You can mail your payment to ALVA Aux. #871, M. Secretary Jean Oliver, 4816 Poplar Drive, Alexandria, VA 22310-1356. Thanks to all those folks who have already paid!

Your support of our events and donations enabled the Auxiliary to sustain the many Grand Aerie Charities. We also supported numerous local charities, such as Johns Hopkins Hospital, National Children's Hospital, Animal Welfare League of Alexandria, Wild Life Center of VA, school supplies, food bank and various others. We were proud to present grants to INOVA Life with Cancer (\$4,500) and Fairfax County Library Foundation (\$1,000). Only through your generosity could this be done. A big thank you to everyone!

The Auxiliary continues to host the 2nd Friday of the month dinner. The menu varies and we are always looking

for cooks, servers and clean-up crews. If you can help let Jean Oliver know at 703-971-0933.

It is with sadness, we announce the death of our charter member, Octavia "Tinky" Moreland on February 1st. Those wishing to send cards to the family, the address for her daughter is: Tracy Moreland, 6310 Prospect Terrace, Alexandria, VA 22310-3028.

Until next time: ALVA Auxiliary #871
